

GoSmart Indoor pivoting camera IP-220W with WiFi

Order code: H4062

THE MOST IMPORTANT PARAMETERS

Parameter	Value
product type	IP camera
camera sensor	1/3.0" 4Megapixel CMOS
supported OS	Android, iOS
compatibility	EMOS GoSmart, TUYA, LIDL, Smartlife, open system
protocol	Wi-Fi
other functions	-

OTHER PARAMETERS

Parameter	Value
automatic image saving	yes
installation	on wall + standing
camera power supply	DC 5 V/1 A
setting the detection area	yes
night vision	yes
maximal night vision beam distance	10 meters
colour	gunmetal grey, black
width	75 mm
depth	75 mm
height	114 mm
camera viewing angle	180°
source included in packaging	no
IP rating	IP21
packaging	1 pc, box
camera resolution	2 560 x 1 440
motion detection	yes
sound detection	yes
IR CUT	yes
siren	yes
SD card storage	yes
cloud storage	yes
transmission frequency	2.4 GHz/5 GHz Dual Band

installation material	yes
anti-theft protection	blocked by application
warranty period	3 years
control by voice assistants	yes (Amazon Alexa, Google Assistant)
voice communication	two-way
notifications to the mobile app	yes
make a call using the button	yes
additional internal monitor	yes
private mode	yes
ONVIF support	yes
motion tracking	yes
holder type	basic
motorised rotation	yes
additional LED light	yes
application languages	EN, CZ, SK, PL, DE, HU, SI, FR, + 60 other languages
WebRTC function	yes
motion detection angle	120°
motion detection range	10 m
backup time	-
human body recognition	yes
animal recognition	no
contents of the package	1x camera, 1x manual
series	GoSmart
