

## Rechargeable LED Work Light P2311, 300 lm, 2400 mAh

Order code: P2311

### THE MOST IMPORTANT PARAMETERS

| Parameter             | Value              |
|-----------------------|--------------------|
| battery               | Li-Ion accumulator |
| maximal light output  | 300 lm             |
| maximal beam distance | 370 m              |

### OTHER PARAMETERS

| Parameter                               | Value                                         |
|-----------------------------------------|-----------------------------------------------|
| batteries included                      | yes                                           |
| rechargeable                            | yes                                           |
| battery type                            | 2 400 mAh/3.7 V                               |
| focus                                   | no                                            |
| waterproof                              | no                                            |
| material                                | ABS plastic                                   |
| runtime                                 | 24-30 hrs                                     |
| runtime detail                          | LED 50 % - 30 hrs, LED 100 % - 24 hrs         |
| recharge time                           | 4.5 hrs                                       |
| impact resistance                       | no                                            |
| colour                                  | grey-black-green                              |
| light output                            | LED 50 % - 140 lm, LED 100 % - 300 lm         |
| source of light                         | OSRAM LED                                     |
| beam distance                           | LED 50 % - 250 m, LED 100 % - 370 m           |
| number of lighting modes                | 2                                             |
| power connector type                    | not stated                                    |
| LED indication of the accumulator state | no                                            |
| lighting modes                          | LED 50 %, LED 100 %                           |
| LED indication of the charging process  | yes                                           |
| accessories                             | charging adapter, car adapter, shoulder strap |
| special features                        | battery protection                            |
| features                                | not stated                                    |
| weight                                  | 275 g                                         |
| warranty period                         | 2 years                                       |
| dimensions                              | 162 x 100 x 140 mm                            |
